CELL PHONES FOR SOLDIERS

Show your support for our brave service people who risk their lives to keep us safe. For the month of April, the Office of New York State Senator Eric Adams will be collecting old cell phones. These phones will be sent to ReCellular, which pays Cell Phones for Soldiers (a non-profit organization) for each donated phone – enough to provide an hour of talk time to help our soldiers abroad stay in touch with their families.

Throughout the month of April, drop off your old cell phones at one of the sites listed below:
