

# How to Recycle

The 3 R's: Reduce, Reuse, Recycle.

## Schools have a waste problem

How to help our planet?

- For lunch, grab only what you can eat
- Avoid food wastage by not taking fruit you won't eat
- Schools offering personalized lunches that students choose

## How can I help the planet?

- Buy second hand
- Don't buy clothes you WON'T use!
- Live a little more sustainable (Ex. Buying a water filter vs bottled water)

Our Power, Our Planet! The Senate's focus is to emphasize the importance of recycling and waste reduction, to encourage the exchange of ideas about recycling and waste reduction among schools, children and adults and to stimulate creative thinking about solutions to problems concerning recycling and waste reduction.
