I'm thankful for my family who was always there.
It wasn't perfect, but it wasn't bad.
It's neutral to be honest.
I'm glad that they're here though.
I'd suck without them, you know?
It's hard to think about them not in my life,
Because with them it's really nice.
My friends, my family, all the people i knew, and
thankful that i'm here, oh and my dog too.
It's great to have people who understand you.
They're here and they're there and then they're
everywhere.
And honestly?
I'm thankful that they're here.
Some things can be new, some are old.
But they're always there to support me, and that's all
I need to know.
