Being thankful on Thanksgiving

I’m thankful for the little things that make life beautiful,
The people who make ordinary days meaningful.
For family, for laughter, and memories that stay,
For those who bring sunshine on some of the darkest days.
I’m thankful for the people who stayed and the ones who passed through
For the ways they have shaped me and helped me grow too.
Im thankful for second chances, for dreams yet to come
For the places I’ve been and the places I’ll go
And for the simple reminders that life is a gift
For all the things that give my heart a lift.
Most of all I’m thankful for the life that I live
For the love I receive and the love I can give.
Because sometimes we get so caught up in what we wish we had,
That we forget how much we already have.
